## Sedna

## **The First Seed**

Your ways Tipping me over Darkest woman Taking allYour ways Taking me over bottom talked to the hookI'll let him I'll fallYou spend the night without loveYour ways Tipping me overAll living is taking me over There's a true sin calling for the nightAll living is taking me over There's a true sin calling for the nightGotta love what you said Stop taking me over forgot what it means to apologizeSedna looked at the sea All your love it starts slow lonely where it's calling for the closeAnd your ways...
