

Love Is A Lonely Place Without You

[Cher](#)

Love is a lonely place without you, without you, without you

I know I'm not alone

I should not be afraid

'Cause I hear your voice

And I know you're there beside me

And so I give my heart

I live to love again

But I can't let go

Of the way I feel about you

Love is a lonely place without you

I miss you and you're almost here

And I'm almost touching you

Love is a place I have to hide away

I'll never love this way again, again

If love was ever true

I know it was with you

'Cause you touch my soul

And you stay with me forever

No tears, no sad goodbyes

There are no reasons why

But I'm holding on

I believe in love eternal

Love is a lonely place without you

I miss you and you're almost here

And I'm almost touching you

Love is a place I have to hide away

I'll never love this way again

Though I'm moving on

I'm still holding on, holding on, holding on

Love is a lonely place without you

I miss you and you're almost here

And I'm almost touching you

Love is a place I have to hide away

I'll never love this way again, again

Love is a lonely place, a lonely place

Love is a lonely place, a lonely place

Love is a lonely place, a lonely place
