

Just Like This

The Isley Brothers

Yeah, yeah yeahHow can I refuse your body laying next to me
I wanna know if you see the same thing that I see
Listen baby, laying right here in your bed is where I wanna be
Making love to your body with your body on top of meOh, how I wanna love you babe, just like this, just like
this
Oh, how I wanna touch you babe, just like this, just like this
Oh, how I wanna feel you babe, just like this, just like this
Oh, how I wanna love you babe, just like this, just like thisI wanna try something new, baby
That we never tried before
I wanna do something to you, babe
Wait a minute, come back here on the floorOh, tell me how do you like Mr. Bigg's cashmere rug, baby
Does it feel good to your body, baby?
Makes you feel rightOh, how I wanna love you babe, just like this, just like this
Oh, how I wanna touch you babe, just like this, just like this
Oh, how I wanna feel you babe, just like this, just like this
Oh, how I wanna love you babe, just like this, just like thisOh, keep on pushing babe, don't stop now
Slow it down
Make it go round and round and round and round and roundIt's time to go down
Don't stop what you doing babe 'cuz
I'm going downOh, how I wanna love you babe, just like this, just like this
Oh, how I wanna touch you babe, just like this, just like this
Oh, how I wanna feel you babe, just like this, just like this
Oh, how I wanna love you babe, just like this, just like thisOh, how I wanna love you babe, just like this, just
like this
Oh, how I wanna touch you babe, just like this, just like this
Oh, how I wanna feel you babe, just like this, just like this
Oh, how I wanna love you babe, just like this, just like thisJust like this, just like this
