Izzy Stradlin

Yeah it was ten years in the making but they finally got to tour
I bought all their albums, I got their sticker on my door
I didn't know this girl from Adams, She was with some guy named Stan
She drank bud ice from a can and got her rocks off with the band
And she would sing to me
She's all over me
This girl is scarin' me
Oh, yeah
When they call her silly girl they were right on
Dirty sheets and sour grapes, she kept on dancing on and on
Just like so many girls, she just wants to go home with the band
Maybe if she makes us practice, one of us will hold her hand
Graduated art school and she read of clockwork orange
She asked me if I had any drugs and she laughed when I said, "No"
She hit up "P" for a CD, and he thaught that he might score

Next thing you know her minds on Hubert, he was passed out on the floor
And she would sing to me
She's all over me
This girl is scarin' me
Oh, yeah
When they call her silly girl they were right on
Dirty sheets and sour grapes, she kept on dancing on and on
Just like so many girls, she just wants to go home with the band
Maybe if she makes us practice, one of us will hold her hand
When they call her silly girl they were right on
Dirty sheets and sour grapes, she kept on dancing on and on
Just like so many girls, she just wants to go home with the band
Maybe if she makes us practice, one of us will hold her hand
