Do It Now

Mezzo

Procrastination is the thief of time
Do It Now, Right Now
Right-living is the key to a better future
Act now, don't delay
Don't leave for tomorrow what you can do today
Fix it now, Don't dwell
Don't say you can do it if you never tried it
Push yourself to the limitWe leave our kids to fend for themselves
Not sharing all the wisdom we acquired
Leaving them trapped, insecure and unsure of themselves
And they start to believe life happens at a drop of a hat
Now they think
Tomorrow will be a another day
Living Friday to Saturday
To No day
Believing they can just wait for better days
Without lifting a fingerCHORUSProcrastination is the thief of time
Do it Nanananananana
Right now
Right-living is the key to a better future
Act now don't delay
Don't leave for tomorrow what you can do today
Fix it now ... on the doubleGUITAR SOLOThat's why we say
Get those hands dirty
And knuckle down
Cos it will ensure
That you, that you
Reap the fruits of your labourAnd just rememberAhahaha
ahaha

Do It Now, Right Now
Right-living is the key to a better future
Act now, don't delayRight now

Deliver on your promise

And never give up
