## Cara Beth Satalino

i'm pacing circles in my living room  
you disappear and a could of smoke left leaking through the cracks of the old shutters  
i let you slip down the drainpipe and in the end of chapter one  
are you? or hits the ground running  
he never held his breath so long, so long swallow your life like a pill.  
it doesn't go down easy.  
it's hard to keep still,  
and these wounds left bleeding. in the end of chapter one  
are you? or hits the ground running  
he never held his breath so long, so long, so long. lay, lay down. lay down.  
lay down, down, down, down, down, down.  
down, down.
