

Sour Grapes

John Prine

I don't care if the sun don't shine
But it better or people will wonder
No matter if it never quits rainin'
Except the kids are afraid of the thunder
 Say sour grapes
 You can laugh and stare
 Say sour grapes
 But I don't care
I couldn't care less if I didn't have a friend
 Except people would say I was crazy
I wouldn't work 'cause I don't need money
 Except the same folks would say I was lazy

 Say sour grapes
 You can laugh and stare
 Say sour grapes
 But I don't care
I couldn't care less if she never come back
 I was gonna leave her anyway
 And all the good times that we shared
 Don't mean a thing today
 Say sour grapes
 You can laugh and stare
 Say sour grapes
 But I don't care
