

Two Story Town

Bon Jovi

{One, two, one, two} I couldn't sleep
Took a walk down Second Avenue Sick of dreaming dreams that never come true
One way street and I know where its leading to
There's a "For sale" sign on the front door of the city hall
The subway line got graffiti crawling off the wall
I could take the hit
But I ain't going to take the fall
(The fall) Woh
That's just one side of the story
Woh
In this two story town It's just the same old sights
And the same old sounds
I want to take my car and drive out of this two story town
It's the same old ship going round
I'm going down, down, down, down, down
In a two story town There's a girl that I sleep with
Got ecstasy eyes
He promised her roses and American pie
I called her and my demons
I kissed them both goodbye Woh
Seven days of Monday morning
Woh
In this two story town It's just the same old sights
And the same old sounds
I'm gonna take my car and drive out of this two story town
It's the same old ship is going round
I'm going down, down, down, down, down
In a two story town One shot to make a move now
The ghosts are calling me out And me, I'm just one story
In a two story town
But you're never gonna to find me in the lost and found It's just the same old sights
And the same old sounds
I gonna take my car and drive out of this two story town
It's the same old ship going round
I'm going down, down, down, down, down
It's a two story town It's just the same old sights and the same old sounds
I want to take my horse and ride him off this merry-go-round
I won't give in and I won't back down
I'm going down, down, down, down down

I'm never going down, down, down, down, down
I ain't going down, down, down, down, down
In a two story town
In this two story town, watch me now To to to do to
To to to do to
To to to do to
...
