

More Today Than Yesterday

Spiral Starecase

I don't remember what day it was.
I didn't notice what time it was.
All I know is that I fell in love with you.
And if all my dreams come true, I'll be spending time with you.

Every day's a new day in love with you.
With each day comes a new way of loving you.
Every time I kiss your lips my mind starts to wander.
If all my dreams come true, I'll be spending time with you.

Oh, I love you more today than yesterday.
But not as much as tomorrow.
I love you more today than yesterday.
But darling, not as much as tomorrow.

Tomorrow's date means springtime's
just a day away.
Cupid, we don't need you now,
be on your way.

I thank the Lord for love like ours
that grows ever stronger.
And I always will be true.
I know you feel the same way, too

Oh, I love you more today than yesterday.
But not as much as tomorrow.
I love you more today than yesterday.
But only half as much as tomorrow.

Every day's a new day every time I love you
Every way's a new way every time I love you
Every day's a new day every time I kiss you
