Indescribable

Chris Tomlin

From the highest of heights to the depths of the sea
Creation's revealing Your majesty
From the colors of fall to the fragrance of spring
Every creature unique in the song that it sings
All exclaimingIndescribable, uncontainable
You placed the stars in the sky

And You know them by name

You are amazing, GodAll powerful, untameable

Awestruck we fall to our knees

As we humbly proclaim

You are amazing, GodWho has told every lightning bolt where it should go

Or seen heavenly storehouses laden with snow

Who imagined the sun and gives source to its light

Yet, conceals it to bring us the coolness of night

None can fathomIndescribable, uncontainable

You placed the stars in the sky

And You know them by name

You are amazing, GodAll powerful, untameable

Awestruck we fall to our knees

As we humbly proclaim

You are amazing, God

You are amazing, GodIndescribable, uncontainable

You placed the stars in the sky

And You know them by name

You are amazing GodAll powerful, untameable

Awestruck we fall to our knees

As we humbly proclaim

You are amazing GodIndescribable, uncontainable

You placed the stars in the sky

And You know them by name

You are amazing, GodIncomparable, unchangeable

You see the depths of my heart

And You love me the same

You are amazing, God

You are amazing, God
