

# Heaven On Earth

## The Platters

Heaven on earth, that's what you've made for me since the day we met  
Heaven on earth, it's all been so thrilling, I never can forget, uh-oh

Heaven on earth, alone with an angel, is living in dreams come true  
Heaven on earth, I know that it happens only when I'm with you

Paradise seemed so far  
Like a star, it twinkled high above me  
Now I'm wise:  
Paradise isn't far at all when you're around to love me, uh-oh, love me

Oh, heaven on earth, no need in waiting, waiting until I die  
Heaven on earth, that's what you've made, a heaven for you and I

A heaven for you and I  
(For you and I)
