I'm Not Gonna Do Anything Without You

Jamie O'neal

I'm gonna make you a promise
Starting tonight
If I never do anything else
For the rest of my life
I'm gonna hold somebody
I'm gonna look in someone's eyes
'Til I'm so overcome that I cry
I'm gonna love somebody
More than anybody
Baby, there's so much I wanna do
But I'm not gonna do anything without you
There's no way I'll ever give up
There's no way I'll lose
If I have to sacrifice everything
Then that's what I'll do
I'm gonna hold somebody
I'm gonna look in someone's eyes
'Til I'm so overcome that I cry
I'm gonna love somebody
More than anybody
Baby, there's so much I wanna do
But I'm not gonna do anything without you
This dream I live and breathe
All I think about
This is the fire that burns in me
That will never go out
I'm gonna hold somebody
I'm gonna look in someone's eyes
'Til I'm so overcome that I cry
I'm gonna love somebody
More than anybody
Baby, there's so much I wanna do
But I'm not gonna do anything without you
Baby, oh so much I wanna do
But I'm not gonna do anything without, anything without you
I'm not gonna do anything without you, oh no
No baby, I'm not gonna do anything anything without you
Anything without you
I'm not gonna do anything anything without you

Without you, no, oh without you
I'm not gonna do anything
