Have You

Amel Larrieux

And I've got this girlfriend and she loves me so much
And treats me so fine, oh, she's so in touch
And when we're together everything is up
And never leave me for no one, oh, she please me enough
Have you ever been in love girl?
Don't you need my squeeze and hugs? Yeah
Have you ever been in love girl?
Don't you need my squeeze and hugs? Yeah
Listen dis yo good love mi got it yo

And treats me so fine, oh, she's so in touch
And when we're together everything is up
