Ancients

Gary Numan

All I know is you're not with me, like me
All I know, you're not with me
Some can shine, some can fly
Some are glorious, some are ancient
Some are wise, some are strong
Some are everything you could dream of
Some are clouds, some are rain
Float like angel wings on an ocean
Some can sing songs of gods
Words so beautiful, they fall like raindrops
Fall like raindrops, fall like raindrops
But none are like me
All I know is you're not with me, like me
All I know is you're not with me
All I know is you're not with me, like me
All I know is you're not with me
Some will cry, cry for you
Take your pain away when you're sleeping
Some will die in your name
Give their soul to you for safe keeping
All I know is you're not with me, like me
All I know
All I know is that you're not with me
Like me, like me, like me
All I know is that you're not with me
You're not with me
You're not with me
You're not with me
You're not with me
