Disco Hades

Head Automatica

She's got the anger of a suffragette
But she's crying a river
She's got the smile of a side show clown
But she stands and deliversI'm drinking heavily to slur my stroll
And to get some rhythm
I'm on the prowl but who would've thought
That I couldn't pick upMaybe you can help me
I am looking for some one to dance with
Baby, can't you help me?
You know, I hate dancing by myselfI see a looker with a neon top
So I started talking
She holds the wall up with a broken shoulder
So I started walkingI turn the corner and who do I spot
It's that girl from TV
I spill my liquor and my buzz is gone
So I stroll in easyMaybe you can help me
I am looking for some one to dance with
Baby, can't you help me?
You know, I hate dancing by myselfShe's got the anger of a suffragette
But she's crying a river
She's got the smile of a side show clown
But she stands and deliversI'm drinking heavily to slur my stroll
And to get some rhythm
I'm on the prowl but who would've thought
That I couldn't pick upMaybe you can help me
I am looking for some one to dance with
Baby, can't you help me?
You know, I hate dancing by myselfMaybe you can help me
I am looking for some one to dance with
Baby, can't you help me?
You know, I hate dancing by myself
