

# The Brightest Green

## Anarbor

It was late last night,  
Before she hit me up  
And baby, don't you know nothing good happens after midnight  
You see the night before  
I couldn't keep my hands off her  
Yeah I wanted to drink her up  
Her body burned like fire and I knew  
I knew I couldn't take any more, from her(Chorus)  
I'm burn, burn, burning  
And my stomach's turning  
My heart's giving into my eyes  
(Woah, woah)  
I'm stare, stare, staring  
At the skin she's sharing  
My heart's giving into my eyes  
(Woah, woah)  
And now it's too late  
For me it's too late  
I'm burn, burn, burning  
And my heart's giving into my eyes She stood 5 foot 4  
She had the bright green  
I'd never seen those eyes before  
And just like that I was hypnotized  
I sit back, I roll fat  
Thinking of you  
And I knew I couldn't take anymore, from her(Chorus) I'm sweating bullets  
Like a boy that has just been caught  
You say your love is all I need  
But I don't need a lot  
You say you're sorry  
But I know that you're not  
I'm sweating bullets  
Like a boy that has just been caught  
You say your love is all I need  
But I don't need a lot  
You say you're sorry  
But I know that you're not(Chorus)  
Now it's too late  
For me it's too late

I'm burn, burn, burning  
And my heart's giving into my eyes
