Red Sky

Lawson

Lay with me on a street in the city
Find the still in the middle of crazy
Is this all that you wanted?Just a leaf floating round in the shadows
Holding on tryna find out how to let go
When you think you got all that you wantedFeel the ground shaking
Slowly we are waking upThere's a red sky
Overhead tonight
That's how I know
It's gonna be alright
It's gonna be alrightThere's a pier reaching out from the seaside
Breathe it in, breathe it out, open your eyes
Is this all that you wanted?Feel the waves breaking
No more time wasting
Slowly we are waking upThere's a red sky
Overhead tonight
That's how I know
It's gonna be alright
It's gonna be alrightBeautiful wonder
Where did you come from?
Writing your name on the horizon
Filling the sky up
Burning like fireYeah
There's a red sky
Overhead tonight
That's how I know
It's gonna be alright
It's gonna be alright
It's gonna be alright
It's gonna be alright
