# She's On My Mind

## Teddy Geiger

Going on missin my baby
Haven't seen her that much lately
Though she seems unchanged by time
she's not in to say helloAnd she said goodbye
I think about it all the time
She's on my mind
I wish I had her in my life
Well She said goodbye
She said goodbyeI don't think she knows
What she's doin to me
Well she said goodbye
She runs from the sound
Of my feet on the ground
And she screams
When I cried out loud
When I cried out loudwell she said goodbye
I think about it all the time
And She's on my mind
I wish I had her in my life
Well She said goodbye
She said goodbye
She said goodbye
