Call Me

Skyy

Sittin' here
Couldn't help hear you talkin' to your best friend
Say, you're not satisfied
Things ain't workin' out with your girlfriendSo your searchin' for someone new
Someone to hold you tight, someone to treat you right
Though your girlfriend's a friend of mine
Here's my number and a dime, call me anytime(Call me) If you need someone to talk to
(Call me) Satisfaction guaranteed
(Call me) If you need someone to talk to
(Call me) Call me!Hello, how ya doin'?
No, she's gone
I figured I'd give you a call and see if you were seriousWhen?Like to hear what the others talk about
Just me and you
You know, I got this little place that I like to go to
It's kinda dark and quiet andWell, I been watchin' you boy
And I've got what you want, got what you need
Though your girlfriend's a friend of mine
Here's my number and a dime, call me anytime(Call me) If you need someone to talk to
(Call me) Satisfaction guaranteed
(Call me) If you need someone to talk to
(Call me) Call me!She doesn't treat you
What she used to do
She doesn't treat you
Like she used to do, noHere's my number and a dime
He used to call me anytime
Here's my number and a dime
Call me anytime, yeah, yeahShe doesn't do to you
What she used to
She doesn't do to you
What she, what she, what she used to do, no(Call me)
(Call me)
(Call me)
(Call me)(Call me)
(Call me)
