

# Call Me

Skyy

Sittin' here  
Couldn't help hear you talkin' to your best friend  
Say, you're not satisfied  
Things ain't workin' out with your girlfriendSo your searchin' for someone new  
Someone to hold you tight, someone to treat you right  
Though your girlfriend's a friend of mine  
Here's my number and a dime, call me anytime(Call me) If you need someone to talk to  
(Call me) Satisfaction guaranteed  
(Call me) If you need someone to talk to  
(Call me) Call me!Hello, how ya doin'?  
No, she's gone  
I figured I'd give you a call and see if you were seriousWhen?Like to hear what the others talk about  
Just me and you  
You know, I got this little place that I like to go to  
It's kinda dark and quiet andWell, I been watchin' you boy  
And I've got what you want, got what you need  
Though your girlfriend's a friend of mine  
Here's my number and a dime, call me anytime(Call me) If you need someone to talk to  
(Call me) Satisfaction guaranteed  
(Call me) If you need someone to talk to  
(Call me) Call me!She doesn't treat you  
What she used to do  
She doesn't treat you  
Like she used to do, noHere's my number and a dime  
He used to call me anytime  
Here's my number and a dime  
Call me anytime, yeah, yeahShe doesn't do to you  
What she used to  
She doesn't do to you  
What she, what she, what she used to do, no(Call me)  
(Call me)  
(Call me)  
(Call me)(Call me)  
(Call me)
