Sight Of Blindness

Hibria

Can you tell me the reasons
Of this white flash in my sight?
I'm going out of control
My delight shall be over fast
Where is all that fun that I felt with my all - blessed eyes?
Sure I'm going to die
Down there among the blindThere's no assurance
They'll rescue me
I will join you in this creepy fucking life
There's no time to step back and regret
Dismissed and hungry we shall fade away
Shooting at a helpless blind
For the pleasure of blood
Made me feel like a beast in disguise
Shooting at a helpless blind
For the pleasure of blood
Cause all the sight of blindness is inside my eyes"You, shut up with your lies"
"Fuck ya, I didn't kill a life"
Pain, you don't know how fear kills your mind
"You, shut up with your grief"
"Listen, I didn't ruin a life"
Death, I only unleashed the poor life
Of the infected blind already deadNow the pain became so hard, and desperate I feel
Death's so close
Last words on my mind as crying I close my eyes
Shady nights - lousy room
Being quiet is the only way
So I hide... and wait for the next surprise
Help me, I begThere's no assurance
They'll rescue me
I will join you in this creepy fucking life
There's no time to step back and regret
Dismissed and hungry we shall fade awayShooting at a helpless blind
For the pleasure of blood
Made me feel like a beast in disguise
Shooting at a helpless blind
For the pleasure of blood
Cause all the sight of blindness is inside my eyes
