# Waiting On The Rain

## J Boog

INTRO
doo do do doo do do do do doo do do do do doo. (2x)Been through a long road of heartache and pain
try to heal up the wounds
but this beatin can't be contained no
we still talk but it's not the same. (not the same, it's not the same)
reminisce so much on the past
can't figure out why this couldnt last, no(PRE_CHORUS):
No more late night talks or rendezvous, (ooo-oo-ooo)
it's like an unbearable pain when i dont see you, (you-oo-ooo) no..
So damn bad for me, to yous me wants to cling to
And right now... i dont know what to do.well ohh well(CHORUS):
You're waiting for the rain to fall, and ya..
needed help but you wouldnt call, and ya..
Never really been in love before, and never
Realized what your heart was for, so ya..
Gave yourself to folks who just dont care, and yea..
Can find those people everywhere, but ah..
hold my breathe till' you tear down a wall..
it's like im waiting for the rain to fallMe without you just feels insane, (cant do without ya)
i keep pushing for what it was before
before you hopped up and changed. noo...
Memories just floods my brain, (kept thinking bout ya)
how we used to chill and laugh
i thought we were on a spiritual path.PRE-CHORUSCHORUSinstrumental with tune and whistleCHORUS
