Hey, the chances I must waste  
Hey, ever dirt even there month got a car  
Here's what it takes (x4)  
Paper chase is on  
These are on my speed  
For he warbled  
Bought arachnophobe  
On the tiara, by the gin's rack  
Paper chase is on  
These are on my space Paper chase is on hey, the chances I must face  
These are on my speed oh, you warbler  
For he warbled hey, that's by the car  
Bought arachnophobe  
On the tiara  
By the gin's rack  
Paper chase is on  
These are on my space  
Abandon ship  
I watch him trail (x4)  
Hey, for eight means paper chase paper warm beings means the paper chase  
For our time being's for our time being's never changes this  
Never changes this (x2) Here's what it takes (x6) Paper warm beings means the paper chase here's what it takes
