

We'll Meet Again Sweetheart

[Doc Watson](#)

Now the time has come to say goodbye
and I beg you darlin please don't cry
For the time for me won't seem so long
If I know you're happy back at home.Chorus:
Someday we'll meet again sweetheart
We'll meet and never more to part
Someday we'll meet again sweetheart
Don't cry so, please don't break my heartAnd so goodbye now don't be blue
just try to be happy and be true
and please remember what I say
sweetheart we'll meet again somedayBack to chorusDarlin I must leave you now
Yes I will be soon be on my way
Each night down on my knees I'll pray
that I'll hold you in my arms again somedayChorus
