

Anywhere But Here

SafetySuit

Is this the end of the moment
Or just a beautiful unfolding
Of a love that will never be?
Or maybe be Everything that I never thought could happen
Or ever come to pass and
I wonder if maybe, maybe I could be
All you ever dreamed Cause you are beautiful inside, so lovely and I
Cant see why Id do anything without you, you are
And when Im not with you, I know that its true
That Id rather be anywhere but here without you
Anywhere but here Is this a natural feeling
Or is it just me bleeding?
All my thoughts and dreams
In hope that you will be with me or Is this a moment to remember
Or just a cold day in December?
I wonder if maybe, oh, maybe I could be
All you ever dreamed Cause you are beautiful inside, so lovely and I
Can't see why Id do anything without you, you are
And when Im not with you, I know that its true
That Id rather be anywhere but here without you
Anywhere but here, anywhere but here Is this the end of the moment
Or just a beautiful unfolding
Of a love that will never be
For you and me? Cause you are, youre beautiful inside, youre so lovely and I
Can't see why Id do anything without you, you are
And when Im not with you, yeah, I know that its true
That Id rather be anywhere but here without you
Whoa, ooh yeah, no, no, no, no, no
