Get You the Moon (feat. Snow)

Kina

You gave me shoulder when i needed it
You showed the love when i wasn't feeling it
You helped fight when I was giving in
You made laugh when I was losing it
You are you are
The reason why I still hanging on
You are you are
The reason why my head is still above water
And if I could ide get you the moon I give it to you
And if death was coming for you ide give my life for you
You are you are
The reason why I still hanging on
You are you are
The reason why my head is still above water
And if I could ide get you the moon I give it to you
And if death was coming for you ide give my life for you
You are you are
Oh you are
Oh you are
You are...
You are you are
The reason why I still hanging on
You are you are
The reason why my head is still above water
And if I could ide get you the moon I give it to you
And if death was coming for you ide give my life for you
