Droogs Donâ€™t Run

Cock Sparrer

Advisory - the following lyrics contain explicit language:

[Chorus]
Droogs dont run
Droogs dont runIf you're in any trouble
You know we'll be right there[Chorus]We don't take no shit from no one
We'll fight 'em anywhere[Chorus]So remember who your friends are
If you wanna keep breathing air[Chorus]Your droogie is your brother
someone you can trust[Chorus]He comes before your mother
He comes before your lust[Chorus]We gotta stick together
This town belongs to us[Chorus][Chorus]If you're in any trouble
You know we'll be right there[Chorus]We don't take no shit from no one
We'll fight 'em anywhere[Chorus]So remember who your friends are
If you wanna keep breathing air[Chorus][Chorus Repeat...]
