

Makin Me Love You

Kaci Bolls

I was taking my time
Just minding my own damn business
Not looking to find
What I found and what I found was
You waving me down
You headed my direction
You kept coming around
And Iâ€™m finding that

(Chorus)

Youâ€™re makinâ€™ me love you
And I didnâ€™t want to
Let my heart go down that road again but
Youâ€™re keepinâ€™ me smiling
The sun keeps on shining
Like its never gonna end
Oh, itâ€™s true
Youâ€™re makinâ€™ me love you

Iâ€™m stubborn I know
Hot headed for no good reason
Iâ€™m learning slow
Had to fall out just to fall down but
Youâ€™re lookinâ€™ at me
Youâ€™re thinking Iâ€™m almost perfect
I wanna believe
I can do this, will you help me do this

(Chorus)

Youâ€™re makinâ€™ me love you
And I didnâ€™t want to
Let my heart go down that road again but
Youâ€™re keepinâ€™ me smiling
The sun keeps on shining
Like its never gonna end
Oh, itâ€™s true
Youâ€™re makinâ€™ me love you

And I donâ€™t know how you do it
Or why

But Babe, Iâ€™m givinâ€™ in
Iâ€™m gonna try

(Chorus)

Youâ€™re makinâ€™ me love you
And I didnâ€™t want to
Let my heart go down that road again but
Youâ€™re keepinâ€™ me smiling
The sun keeps on shining
Like its never gonna end
Oh, itâ€™s true
Youâ€™re makinâ€™ me love you
