Saved

Tarralyn Ramsey

I may not know
All the things that I, I should know
I don't even know
All of the places that I, I should goI don't know about the four winds
Where they blow or why
I don't even know much about the bright lights
That shine from the eastern skyBut I'm saved, I am saved
Thank God I am savedOne thing that I have learned
That friends come and things, things may go
Something else I have learned
That nothing, no, no, no, nothing is for sureI've come through many disappointments, many disappointments
Many of them cared and others they are woe
But when everything seems to crumble all around me
I stand on one thing, that's for sureThen I'm saved, I am saved
Thank God I am saved, ooh yeahWhen the sky cracks, I'll be going back
I'm saved, I'm saved
When the sky cracks, I'll be going back
I'm saved, I'm savedWhen the sky cracks, I'll be going back
I'm saved, I'm saved
When the sky cracks, I'll be going back
I'm saved, I'm savedSaved, saved, I'm saved, I'm saved
Saved, saved, I'm saved, I'm saved
Saved, saved, I'm saved, I'm saved
Saved, saved, saved, saved
Saved, saved, I'm saved
