Oxygen

Granger Smith

I came apart inside a world made of angry people
I found a boy who had a dream, making everyone smile
He was sunshine, I fell over
My feet like bricks underwater
And how am I supposed to tell you how I feel?
I need oxygen
Oh baby, if I was your lady
I would make you happy
I'm never gonna leave, never gonna leave
Oh baby, I will be your lady
I am going crazy for you
And so I found a state of mind where I could be speechless
I had to try it for a while to figure out this feeling
This felt so right pull me upside down
To a place where you've been waiting
And how am I supposed to tell you how I feel?
I need oxygen
Oh baby, if I was your lady
I would make you happy
I'm never gonna leave, never gonna leave
Oh baby, I will be your lady
I am going crazy for you
And you don't want to keep me waiting
Staring at my fingers, feeling like a fool
Oh baby, I will be your lady
I will make you happy
I'm never gonna leave, never gonna leave
Oh baby, I will be your lady
I am going crazy, yeah, oh, oh, oh
Tell me what you want
Baby, tell me what you need
Anything I ask baby, give it to me
Baby, give it to me, give it to me
I came apart inside a world made of angry people
I found a boy who had a dream, making everyone smile
