Only You

Josh Kelley

I'm feeling it, I got a ton a time
You're movin' your body
I'm reeling in, I gotcha on my line
You won't swim away this time
'Cause you started it and you seem into it
Don't you dare act surprised
'Cause only you know what is on my mind
I wanna see you, I'm leaving on the lights
So don't go act all sweetness 'cause honey that's not right
Come on, you know oh oh, what is on my mind
You know the game, your wearing it
And you make the rules
I'm breaking out and it's feeling good
For sure you can't deny
'Cause you started it and you seem into it
Don't you dare act surprised
'Cause only you know what is on my mind
I wanna see you, I'm leaving on the lights

So don't go act all sweetness 'cause honey that's not right
Come on, you know oh oh
'Cause it's human nature girl, it's how we turn the world
What better way to know, that we're alive
Only you know what is on my mind
I wanna see you, so I'm leaving on the lights
Don't go act all sweetness 'cause honey that's not right
Come on, you know oh oh
You know what is on my mind
I wanna see you, I'm leaving on the lights
So don't go act all sweetness 'cause honey that's not right
Come on, you know oh oh, what is on my mind
So don't go act all sweetness 'cause honey that's not right
And don't go act all sweetness, you done this all night
So don't go act all sweetness 'cause honey that's not right
Come on, you know oh oh, what is on my mind
Oh baby, darlin', darlin', darlin' what is on my mind
