Back for Good

Take That

I guess now it's time for me to give up, I feel it's time

Got a picture of you beside me

Got your lipstick mark still on your coffee cup, oh yeahGot a fist of pure emotion

Got a head of shattered dreams

Gotta leave it, gotta leave it all behind nowWhatever I said, whatever I did

I didn't mean it

I just want you back for good

Want you back, want you back

I want you back for goodWhenever I'm wrong

Just tell me the song and I'll sing it

You'll be right and understood

Want you back, want you back

I want you back for goodUnaware but underlined

I figured out this story, it wasn't good

But in the corner of my mind I celebrated glory

But that was not to be In the twist of separation

You excelled at being free

Can't you find a little room inside for meWhatever I said, whatever I did

I didn't mean it

I just want you back for good

Want you back, want you back

I want you back for goodWhenever I'm wrong

Just tell me the song and I'll sing it

You'll be right and understood

Want you back, want you back

I want you back for goodAnd we'll be together, this time is forever

We'll be fighting and forever we will be

So complete in our love

We will never be uncovered againWhatever I said, whatever I did

I didn't mean it

I just want you back for good

Want you back, want you back

I want you back for goodWhenever I'm wrong

Just tell me the song and I'll sing it

You'll be right and understood

Want you back, want you back

I want you back for goodWhatever I said, whatever I did

I didn't mean it

I just want you back for good

Want you back, want you back
I want you back for goodWhenever I'm wrong
Just tell me the song and I'll sing it
You'll be right and understood
Want you back, want you back
I want you back for goodOh yeah
I guess now it's time
That you came back for good
