She Don't Wanna Man

Asher Roth

She don't want a man man man man man, she just wanna dance, let's dance
(Verse 1) Quiet and confident, not a bit im the shit, screaming OW! out loud, right now im the shit , let em know let it go, feeling sexy feeling grown, i be sipping on patron mixed with pineapple, as she looks up, spots me only for a sec but in that moment our eyes lock, i swear that we had sex and in that tank top, tight jeans, high heels, nice teeth, oh i think she likes me but but it be unlikely cuz...
Keri - Ain't lookin for no man, man, really just came to dance, dance, on the dance floor, know you want my body body,(on the dance floor) i just came to party, party
Keri - aint lookin for romance, mance, really just came to dance dance on the dance floor know you want my body body, (On the dance floor) i just came to party, party
Asher - she don't want a man man man man man, she just wants to dance dance dance dance dance, she don't want a man man, she just wants to dance dance on the dance floor
(Verse 2) I see Boyder and ask him, yo can you take her fat friend? He laughs and then digs in hell yea ill be your wing man, we two step, we groovin, we dancin, we movin, the crowd weave through it, people gettin REAL STUPID! check my breath, and my sweat on my chest and my pits, yea im fresh, supa fresh, i would do me in a sec, bout to get my dance on, so i put my hands on, and she frowns, turns around, with a look like
Keri- Ain't lookin for no man, man, really just came to dance, dance, on the dance floor, know you want my body body, i just came to party, party
Keri - aint lookin for romance, mance, really just came to dance dance on the dance floor know you want my body body, (On the dance floor) i just came to party, party

Asher - she don't want a man man man man man, she just wants to dance dance dance dance dance, she don't want a man man, she just wants to dance dance on the dance floor
Keri - well you need to cool down, cause im way too hot too hot too hot too hot too hot
Asher - girl you need to cool out cause you not that hot that hot that hot that hot that hot
Keri - see im just tryin to cool down cause im way to hot too hot too hot too hot too hot
Asher - girl you need to cool out cause you not that hot, im just playin, im just hatin, i know you way too hot
Keri - Ain't lookin for no man, man, really just came to dance, dance, on the dance floor, know you want my body body, (On the dance floor) i just came to party, party
Keri - aint lookin for romance, mance, really just came to dance dance on the dance floor know you want my body body, (On the dance floor) i just came to party, party
Asher - she don't want a man man man man man, she just wants to dance dance dance dance dance, she don't want a man man, she just wants to dance dance on the dance floor
