

# Guessing Game

## Paper Aeroplanes

Maybe i gave up easily  
Maybe i stayed too long  
I don't know when your head is right  
And your heart is wrong  
Maybe your right is broken up  
But i believe in repair  
Piece it back together  
Or leave it there  
At other time  
In another lifeLet it all go  
Let it all go  
But i don't want to forget you  
Let it all go  
Let it all go  
But i just don't want to leave  
And how do you know  
How do you know  
When it hurts with or without you  
If attempts are made  
And love were all in vein  
Its a guessing gameThought that i understood you then  
Knew my way around your brain  
Little white lies and both our demons i thought i tamed  
Maybe ill never navigate  
All of these twists and turns  
Makes the same mistakes  
And till I've learnt  
At another time  
Do we get it rightLet it all go  
Let it all go  
But i don't want to forget you  
Let it all go  
Let it all go  
But i just don't want to leave  
And how do you know  
How do you know  
When it hurts with or without you  
If attempts are made  
And love were all in vein

Its a guessing gameLet it all get blown away get blown away, blown away

Let it all get blown away

Leave the future up to fate and

Let it all get blown away get blown away

Leave the future up to fate

Leave the futureLet it all go

Let it all go

But i donÃ¢Â€Â™t want to forget you

Let it all go

Let it all go

But i just donÃ¢Â€Â™t want to leave

And how do you know

How do you know

When it hurts with or without you

If attempts are made

And love were all in vein

Its a guessing game

And its a guessing gameLet it all go

Let it all go

Its a guessing game

Let it all go

Let it all go

How do you know

How do you know

That its a guessing game
