

# Always on My Mind

Michael Bublé©

Maybe I didn't treat you  
Quite as good as I should have  
Maybe I didn't love you  
Quite as often as I could have

Little things I should have said and done  
I just never took the time  
You are always on my mind  
You are always on my mind

Maybe I didn't hold you  
All those lonely, lonely times  
And I guess I never told you  
I'm so happy that you're mine

If I made you feel second place  
Girl, I'm sorry I was blind  
You are always on my mind  
You are always on my mind

Tell me, tell me that your sweet love hasn't died  
Give me, give me one more chance to keep you satisfied, satisfied

Little things I should have said and done  
I just never took the time

You are always on my mind  
You are always on my mind  
You are always on my mind  
You are always on my mind
