Lighter

Colour The Atlas

I don't want to fallâ€¨any faster
Than the world spinning roundâ€¨
I've been washing down
Take it as it comes, live life lighterâ€¨
I donâ€™t want to feel, not today. â€¨
All my times a waste

Glitter and goldâ€¨who do you want to be?â€¨
Purple yellowâ€¨how do you want to feel?â€¨
Let it go

I donâ€™t want to roll any faster
Than the world spinning roundâ€¨
Everyone come downâ€¨

People relax

Glitter and goldâ€¨who do you want to be?â€¨
Purple yellowâ€¨how do you want to feel?â€¨
Let it go

Who are you fooling, child?
