Gypsy Woman (She's Homeless)

Crystal Waters

She wakes up early every morning
Just to do her hair now
Because she cares yeahHer day oh wouldn't be right
Without her make up
She's never without her makeupShe's just like you and me
But she's homeless, she's homeless
As she stands there singing for money.La da dee la dee da
La da dee la dee daShe try not to care, she's homeless
Her day oh wouldn't be right
her make up and hair
She's apologizeAs she stands there singing for moneyLa da dee la dee da
La da dee la dee daIn my sleep I see her begging
Preaching please
Although her body is not mine
I ask now why God whyShe's just like you and me
But she's homeless, she's homeless
As she stands there singing for moneyLa da dee la dee da
La da dee la dee da
She wakes up early every morning
Just to do her hair now
Because she cares yeahHer day oh wouldn't be right
Without her make up
She's never without her makeupShe's just like you and me
But she's homeless, she's homeless
She's homeless
She's homeless
She's homelessShe's just like you and me
