Dirty Dirty

Say what say what
2003
It don't get better than this
What? Here I come
Here I come
Here I come
Here I come
A-T-L, I'm an Atlanta girl
I've been born and raised
To come and rock ya world
I don't wanna hurt nobody
I just came to move your bodies
T, time to get the place wide up
L, rest well until we all meet up
C, come on and get the speakers boomin'
Stop what you're doin' 'cause we're about to ruin
Come on
Move to the right now, move to the left now
Stand real still now, now break it down
Break it down, break it down
Move to the right now, move to the left now
Stand real still now, now break it down
Break it down, break it down
Oh dirty
Dirty dirty
Where the South is
I been waitin' on Tim to bring the beat in
TLC, the club's shakin'
Bounce to the ounce like a lot of baby makin'
A, already sweatin' from the music
T, too many drinks, don't abuse it
L, let the folks outside in
Come on
Come on
Move to the right now, move to the left now
Stand real still now, now break it down
Break it down, break it down
Move to the right now, move to the left now
Stand real still now, now break it down

Break it down, break it down
Yo Missy
TLC is forever
So when you come up in this club here
Get your back up off the wall
Yo Missy
Left Eye would want us to break it down
Break it, break it down like this
Say what, come on now
If you're dancin' and you're sweatin'
Drippin' wet from your neck to your chest is
'Cause we're pumpin', we keep it jumpin'
TLC is bringin' heat, you gotta love this
If you're dancin' and you're sweatin'
Drippin' wet from your neck to your chest is
'Cause we're pumpin', we keep it jumpin'
TLC is bringin' heat, you gotta love this
Come on
Oh oh oh oh
That's right baby, we dirty, yeah
Oh oh oh
TLC, we gon' be right here, ooh
Oh oh oh, yeah
We keep it crunk somebody, come on
Oh oh oh
Left Eye gets a moment of silence
Yeah
Break it down now
One more time now
Say what, say what
Come on
A, I like that
T, a little louder
L, what? Come on
A T L
A T L
A T
A, what?
T, alright now
L, go and flip it up
Alright, flip it up
Flip it up now
T, yeah, say what
L, break it down now
C, who the girls

Who the girls
Who the girls
Who the girls
T, what?
L, from the Dirty South
C, say what now
Alright, yeah
