You

[Raheem DeVaughn](#)

You got me thinking
(You, you)
Of you for you
Got me telling my mama
(You)
And my friends all about youIn my daydreams are you
Touching, holding, kissing
(You, you)
As I'm sweaty with, came right on time
(You, you)
Hey you, every word in this songGirl, every word in this song's
Gonna be about you
Girl, every word in this song's
Gonna be about youGirl, every word in this song's
Gonna be about you
Girl, every word in this song's
Gonna be about youYou don't stress me at times you test me
(You)
But I pass for
(You)
So I promise I'm not leaving
Only a fool would leave or try to deceiveI give me word to I would die for
(You)
Girl, I live for said I breathe for
(You, you)
I adore, no one but
(You, you)
Came right on time
(You)Girl, every word in this song's
Gonna be about you
Girl, every word in this song's
Gonna be about youGirl, every word in this song's
Gonna be about you
Girl, every word in this song's
Gonna be about youGirl, every word in this song's
Gonna be about you
Girl, every word in this song's
Gonna be about youGirl, every word in this song's
Gonna be about you

Girl, every word in this song's
Gonna be about youGirl, every word in this song's
Gonna be about you
Girl, every word in this song's
Gonna be about youGirl, every word in this song's
Gonna be about you
Girl, every word in this song's
Gonna be about youGirl, every word in this song's
Gonna be about you
Girl, every word in this song's
Gonna be about youGirl, every word in this song's
Gonna be about you
Girl, every word in this song's
Gonna be about youYou inspire me
