In a Moment

No Fun at All

This is a place where everything is green and bright
In a momomomomoment
If you stay a little while you'll see I'm right
In a momomomomoment yeahYou'd better start your meditation
Oh if you gonna fly
You'd better start your meditation
Oh if you gonna fly into the lightThis is a place where everyone is on your side
In a momomomomoment
Just relax and sit right back enjoy the ride
In a momomomomoment
