Radio

CNBLUE

Turn up the volume so that
It will resound all the way to high heavens above
Tonight, You wanna dance
That's right, even in this momentI'm sure we'll be melted by the memories,
Of that Radio that burned this heart of mine on that day
The Radio that brought us together
Yeah, it wakes up our frighteningly passionate memoriesThis Radio that'll never again disappear
Your tears and smiles
Yeah, even now the dream goes on
So that I can the you who's far awayToday as well I hum that melody
You wanna know
Radio, that we depicted both of our dreams
Don't let the all the things precious to usLose their color, keep them as they are
Radio, that overlapped both of our hearts
Yeah, even if we're in a town that changes, we won't change
Radio, that has sought eternityEven now, with my voice withered away
Yeah, I sing, the song of you & I
The Radio that burned our hearts on that day
The Radio that brought us togetherYeah, it wakes up our frighteningly passionate memories
This Radio that'll never again disappear
Your tears and smiles
Yeah, even now the dream goes onRomaji Lyrics
