Don't Sweat It

Midstress

I'd like to see you before I go
There's a few things I'd like to do
And when you're gone, you'll be gone for long
And soon I'll be gone too
But don't sweat it, don't sweat it, don't sweat it
Don't sweat it, don't sweat it, don't sweat it
Are you happy with the color of your tea?
Could you use some sugar now?
You're satified with your boy or your girl
Your little butter cup

But don't sweat it, don't sweat it, don't sweat it
Don't sweat it, don't sweat it, don't sweat it
I'd like to see you before I go
There's a few things I'd like to do
But when you're gone to become someone
And soon I'll be gone too
But don't sweat it, don't sweat it, don't sweat it
Don't sweat it, don't sweat it, don't sweat it
