

# Don't Sweat It

## Midstress

I'd like to see you before I go  
There's a few things I'd like to do  
And when you're gone, you'll be gone for long  
And soon I'll be gone too  
But don't sweat it, don't sweat it, don't sweat it  
Don't sweat it, don't sweat it, don't sweat it  
Are you happy with the color of your tea?  
Could you use some sugar now?  
You're satisfied with your boy or your girl  
Your little butter cup

But don't sweat it, don't sweat it, don't sweat it  
Don't sweat it, don't sweat it, don't sweat it  
I'd like to see you before I go  
There's a few things I'd like to do  
But when you're gone to become someone  
And soon I'll be gone too  
But don't sweat it, don't sweat it, don't sweat it  
Don't sweat it, don't sweat it, don't sweat it
