

Mongrel

Bob Seger

Here come the mountain, Here come the hill
Here come the valley and the Shoreline still
 I know 'em well, know well
 Mongrel, on the hard sell
 With a ?, hot assed, inkwell
 Lord, But I, I can't leave with the blues
 Through endless days, and endless nights
 Spare my creator, scream for my rights
 ? in the wishing well
 Mongrel on the Hard sell, with a ?,
 Hot assed, Inkwell
 But I won't leave you with the blues no
 Come down to ? (Wah-doo-day)
 I'll buy you out
 Gonna make you shake it Lord gonna make you shout
 Gonna burn you gonna make you swell
 Mongrel on a hard sell
 with a ? hot assed inkwell Lord
 But I can't leave you with the blues no
 No no
