You Know How To Love Me

Phyllis Hyman

Measure for measure
Your loves so much pleasure
Like a haunting melody
You came inside and captured meAnd Im so happy
Youre the rhythm of my rhyme
You and I together
Well stand the test of timeYou know how to love me
(Sure you do)
You know how to make it right
(So nice)
You know how to love me
(Theres no denyin)
Sweet as morning lightSooner or later
I knew youd come my way
Youre welcome to my love
Just promise that youll stayYou know how to love me right in a special way
You know how to love me, tonight I wanna say
You know how to love me
Youre the real that I feel, never go awaySeeings believin
Dont you know youre a dream come true
Aint nothin deceivin
Bout the way that Im lovin you, yeahYou know how to love me
(You know, you know)
You know how to make it right
(I can feel it)
You know how to love me
(No doubt about it)
Sweet as morning lightNothings forever
Thats what people say
But each time were together
Forever and a dayYou know how to love me right in a special way
You know how to love me, tonight I wanna say
You know how to love me
Youre the real that I feel, never go awayYou know how to love me
(Oh, you know that you do)
(You know how to love me, baby)
You know how to love me
(Oh, I know you do, whoa)You know how to love me
(Seeings believin)

(Dont you know youre a dream come true, yeah)
You know how to love me
(Oh, oh, baby)
(Who will take this heart of mine)You know how to love me
(Love me, baby, all the time, come on, give it to me, baby)
(You know how to love)
You know how to love me
(You know how to love me, yeah)
(Ooh, I can feel it)You know how to love me
(I'm feelin', no, no, baby)
(You know how to love me, yeah)
You know how to love me
(Ooh, you know cause you told me so, oh, oh)
You know how to love me
(Theres no denyin)You know how to love me
You know how to love me
(You and I were meant to be)
You know how to love me
(Theres no doubt the world can see)
(That I love you, baby, baby)
You know how to love me
(Baby)
(You know how to love me, sure you do)You know how to love me
(Oh, ho)
You know how to love me
(You know how to love me, baby, I can feel it)
(No doubt about it, no, no)You know how to love me
(Oh, you know how to love me, baby)
You know how to love me
(I love you, baby and I need ya, baby)You know how to love me
(I know, baby)
You know how to love meYou know how to love me
(I wasnt born yesterday)
You know how to love me
(Spent my time in the streets and I played it)
