

# The Garden

## Sixpence None the Richer

White ribbon  
Wedding gown  
She walked into the garden  
What has she found Oh sorrow  
Untold sorrow  
There would be no groom She left him as she  
Found him  
Empty inside  
But this time it was  
Much too late  
Nothing to hide Oh her soul  
Never left the garden Black ribbon  
Long black gown  
She's walking through  
Her memory  
She's so alone
