

# Sweet Lovin' (Radio Edit)

Sigala

Sweet

Your sweet Your sweet, sweet loving, won't you put it on me?

Keep me coming 'cause you're all that I need

You give me love, I'll give you everything that you want

As long as you love me Your sweet, sweet loving, loving, loving me

Keep me coming, coming, me

Your sweet, sweet loving, loving, loving me

As long as you love me

Your sweet, sweet loving, loving, loving me

Keep me coming, coming, me

Your sweet, sweet loving, loving, loving me

As long as you love me Your sweet

Yeah

Your sweet

Oh Never felt like this

Prayers have been answered

Memories I won't forget

Always blind to see Your sweet, sweet loving, won't you put it on me?

Keep me coming 'cause you're all that I need

You give me love, I'll give you everything that you want

As long as you love me Your sweet, sweet loving, loving, loving me

Keep me coming, coming, me

Your sweet, sweet loving, loving, loving me

As long as you love me

Your sweet, sweet loving, loving, loving me

Keep me coming, coming, me

Your sweet, sweet loving, loving, loving me

As long as you love me Anticipating what

You're gonna do with my love

In your arms, you will hold me

Hold me down with your love Your sweet, sweet loving, won't you put it on me?

Keep me coming 'cause you're all that I need

You give me love, I'll give you everything that you want

As long as you love me Your sweet, sweet loving, loving, loving me

Keep me coming, coming, me

Your sweet, sweet loving, loving, loving me

As long as you love me Your sweet

Yeah

Your sweet

Oh
