

# Good Looking Blues

[Laika](#)

Advisory - the following lyrics contain explicit language:

Damn girl's gone crazy  
All these good-looking blues  
Banshees with bad skin  
Coming home to roost  
Boxed into flying  
Scratching out birds  
Fed a diet of sharp knives  
Earthworms and dirt  
Fishing with bare hands  
Coming up dry  
Branches without roots  
Cover my sky
