

LDN (Live on J Ross)

Lily Allen

Riding through the city on my bike all day
Cause the filth took away my licence
It doesn't get me down and I feel okay

Cause the sights that I'm seeing are priceless
Everything seems to look as it should
But I wonder what goes on behind doors
A fella looking dapper, but he's sittin' with a slapper
Then I see its a pimp and his crack whore
You might laugh you might frown
Walkin' round London town
Sun is in the sky oh why oh why?
Would I wanna be anywhere else
Sun is in the sky oh why oh why?
Would I wanna be anywhere else
When you look with your eyes
Everything seems nice
But if you look twice

You can see its all lies
There was a little old lady, who was walkin' down the road
She was struggling with bags from Tesco
There were people from the city havin lunch in the park
I believe that it's called AL fresco
Then a kid came along to offer a hand
But before she had time to accept it
Hits her over the head, doesn't care if she's dead
Cause he's got all her jewelery and wallet
You might laugh you might frown
Walkin' round London town
Sun is in the sky oh why oh why?
Would I wanna be anywhere else
Sun is in the sky oh why oh why?
Would I wanna be anywhere else
When you look with your eyes
Everything seems nice
But if you look twice

You can see its all lies
Life, yeah that's city life, yeah that's city life, yeah that's city life
Life, yeah that's city life, yeah that's city life, yeah that's city life
Sun is in the sky oh why oh why?
Would I wanna be anywhere else
Sun is in the sky oh why oh why?
Would I wanna be anywhere else
Sun is in the sky oh why oh why?
Would I wanna be anywhere else
Sun is in the sky oh why oh why?
Would I wanna be anywhere else
Sun is in the sky oh why oh why?
Would I wanna be anywhere else
When you look with your eyes
Everything seems nice
But if you look twice

You can see its all lies
When you look with your eyes

Everything seems nice
But if you look twice
You can see its all lies
