

The Sky's the Limit

The Stanley Clarke Band

Time out in sweat city
Ain't nothing but a nickel or a dime
Get tough but here's the pity
From payday to pay it's hard
We survive some dreams
They vanish in the air with all your cares
Time out in sweat city
The magic of this moment begins

Tonight will be for you and me
The sky's the limit
Tonight will be a fantasy
The sky's the limit

Tonight will be for you and me
The sky's the limit
Tonight will be a fantasy
The sky's the limit

All work and no play
It won't happen to you and me, baby
Time out in sweat city
So dress yourself up real pretty

Tonight will be for you and me
The sky's the limit
Tonight will be a fantasy
The sky's the limit

Tonight will be for you and me
The sky's the limit
Tonight will be a fantasy
The sky's the limit

Tonight will be for you and me
The sky's the limit
Tonight will be a fantasy
The sky's the limit

Tonight will be for you and me

The sky's the limit
Tonight will be a fantasy
The sky's the limit
